The Youth Opportunity Center!!!

Monday, December 9th at 5:30 p.m.

The Youth Opportunity Center (YOC) serves as a one-stop shop where those ages 14 to 22 can get job training, help with resumes, learn interviewing skills and find out about job opportunities. Other programs at the center include individual and family counseling, assistance with applying for college, anger management courses, a GED program, tutoring, arts and science activities, a fitness and nutrition program, movie nights, dances, art shows and much more.

This wonderful program encourages teens to develop their skills, and discover their potential.
